2 MR. ZONE: At this time, I
3 would like to call the regular meeting of the West
4 Norriton Zoning Hearing Board to order. I'd like to
5 take time to introduce the Board. To my far left is
6 Michael Valyo, code enforcement and zoning officer.
7 Ed Lincul is Assistant Chairman of the Board. Michael
8 Furey is Board Solicitor. I'm Albert Zone, Board
9 Chairman, and Dominic Diascro is a voting member, and
10 Pat Fisher is secretary of the Board.

11 If anybody here would like to
12 present or say anything, there are some papers up
13 front. You need to fill them out and present them to
14 the Board. We will be more than happy to listen to
15 whatever it is you have to tell us.

16 First item on the agenda is
17 the Tesla project. I will turn this part over to
18 Michael.

19 So, Michael, could read the
20 letter we just received from Tesla?

21 MR. FUREY: Mr. Chairman,
22 thank you. We received an e-mail yesterday from
23 Thomas Witt at Cozen O'Connor, counsel for Tesla
24 Motors. And we received a letter today from Mr. Witt
25 as well basically indicating that Tesla Motors advised

1
2 that they will not be going forward with the
3 application now pending before West Norriton Township
4 Zoning Hearing Board to expand their presence at 2495
5 Boulevard of the Generals and are withdrawing the
6 application. It was just announced that the
7 application is withdrawn. No action is required on
8 the Board's behalf. If anyone is interested in that
9 matter, that matter has been withdrawn.

10 MR. ZONE: Any questions?

11 Then it's withdrawn.
