FALL/WINTER EDITION 2015/16

A MESSAGE FROM THE DEPARTMENT:

Dear Members of the West Norriton Community,

We hope everyone enjoyed their spring and summer and had an opportunity to get outside and visit our parks and playgrounds or take part in a township community event or program. We are proud to be a part of your experiences and are continuously looking for ways to provide additional opportunities for you and your family to enjoy life in our beautiful community!

2015 has been another outstanding year for the West Norriton Parks and Recreation Department as many of our programs and special events have grown in size. We have also made a number of improvements to our parks system highlighted by the recent completion of our latest major project. The Oxford Circle Park renovation project involved a total demolition of antiquated playground equipment and the installation of new, safe, and fun equipment at Oxford Circle Park. The project is now 100% complete and we encourage everyone to stop by and let the children enjoy the new playground. (See page 11 for pictures and locations.)

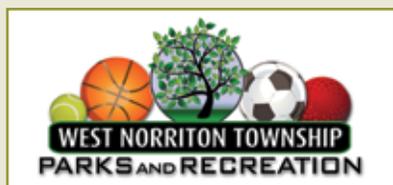

As our department moves towards the upcoming fall and winter seasons, we hope you'll join us at one or all of several events and activities we have planned in the coming months. Such as our annual Free Family Movie Night, the annual Halloween parade and party or any of the fun and exciting programs and trips we have to offer! Please continue to read through the newsletter for more detailed information. We look forward to seeing you soon!

Sincerely,

Jonathan W. Dzedzy,

Director of Parks and Recreation

2015 West Norriton Little League Year in Review

West Norriton Little League concluded its 64th season this summer.

Here are some highlights from the 2015 season.

*2015 West Norriton Little League
8 Year Old Tournament Team*

- The 14U Junior Division enjoyed a successful season this year as Pat Ahmad coached them to take 2nd place in the Junior Division Colonial Cup Championship.
- The 12U Major League Red Sox, coached by League Director Aaron Warren had a very competitive season making it in to the Colonial Cup playoff semifinals. Every player on the team put forth a valiant effort up to the final out.
- The 10U Minor League had a lot of depth this year with some outstanding pitching. The Angels (coached by Mike Sergio), the Rangers (coached by John Carbone), and the Pirates (coached by Ricky McAuliffe) all seemed to bring their "A" games every time they put on their uniforms.
- League Director Gary DelBuono did a great job organizing this year's 8U Farm League and 6U Rookie League. The players all had a great season continuing to learn the fundamentals of baseball while having fun at the same time. Great job!
- 5U Tee Ball was also a tremendously successful this year due to the organization and guidance of League Director Chris DeMarco. The boys and girls in the Tee Ball program had a fun and exciting season and we look forward to seeing them progress even further next year.

Our annual 8U and 9U tournaments were a huge success due to the diligent effort by Tournament Director Keith Ledger and all of the volunteers that came together to help us host one of the best tournaments in the area for the younger players. Complements go out to our Grounds and Facilities Director and Assistant Director, Tim Kennedy and Keith Burton. Leagues from around the area that participated in the tournaments could not say enough about how well our fields not only looked, but played.

Congratulations to two of WNLL's 8U players, one of which won the homerun derby at the Flourtown tournament and the other that took 1st place in the mixed team drills at the same tournament. Great job boys!

West Norriton Little League would like to thank all of the children, parents, volunteers, and sponsors who were and are a part of our league. Without all of the volunteer participation and support from our sponsors we would not be able to have a thriving league that we currently enjoy. West Norriton Little League is a 100% volunteer run organization. Every year our volunteers continue to produce a great community based atmosphere for the children to not only learn the game of baseball, but to create memories to look back on for years to come.

West Norriton Little League will begin its online registration for the 2016, 65th season in December of 2015.
