Township Projects

1. Stonybrook Streambank Stabilization – We will continue to monitor the area to determine additional improvements. Our office is continuing to work with Township staff to find potential grants for additional improvements to the area. We recently reviewed a regional study for the Montgomery County Stormwater Management Plan which identified this area as one of the top priorities in West Norriton Township.
2. Norriton Dog Park – Pavilion Structures have been installed. Last items remaining prior to grand opening is the park amenities. We are working with the Township to secure those items.
3. Centennial Park Restroom – Our office is preparing the utility design for the restroom. Looking into possible solutions for the sanitary and water connections.
4. Centennial Park Streambank Restoration – The streambank project has been completed and we are in the process of determining any remaining punch list items. All landscaping has been installed, but the contractor has agreed to re-assess the project in the Spring to ensure we do not have additional punch list items.
5. Forest and Marshall MTF Grant Application – The Township received a grant for the intersection improvements. Our office submitted the documentation and the agreement has been executed.
6. Township Pedestrian/Traffic Improvements – Our office received the Highway Occupancy Permit for the Egypt Road and Willowbrook Avenue intersection improvements. We are working with Quest to coordinate the improvements. In addition, we have received a Montco 2040 grant for the Intersection and Bus Shelter Improvements at the Boulevard of the Generals. Our office is wrapping up the design for review in the near future. Lastly, we looked at a turning template of the intersection of Main Street and School Lane for the potential addition of an island to prevent left hand turns onto Main Street. It appears that this would require road widening to accommodate. We are working with staff to determine solutions.
7. Sheridan Lane Realignment - We prepared the sketch of the Sheridan Lane re-alignment and completed the cost estimate. We are working with Township staff to determine some potential grant opportunities.
8. 82 W. Indian Lane – FEMA Demolition – We are working with Township staff to prepare specifications for the building demolition at 82 W. Indian Lane. We have also had recent conversations with DEP and they informed us that Chapter 106 Floodplain Management permit will be required. Our office has started preparing that application and plans to submit as soon as possible.

Private Developments

1. 2580 Industry Lane -Dan Moore Tree Service – Site work is completed and we have been notified that the building has also been completed. We have schedule a site visit to prepare a punch list prior to final close out of the project.
2. T-Mobile Expansion – The plan received conditional approval at the July 2022 Commissioners Meeting. The Record Plans have since been recorded. We approved an earth disturbance permit to install a generator and make parking lot modifications.
3. TLC Office and Carwash Development – We met with the Applicant and Township staff at the Staff meeting on 5/16 to discuss the current state of the project. We are working with the Applicant to discuss the next steps forward.
4. Norristown State Hospital Plans – The project received conditional approval on June 10th. The Applicant has recently submitted the final check set plans. Our office is reviewing the plans for final approval.
5. J&L Building Materials – Lot Line Adjustment – The plan received approval at the October 8th Commissioners Meeting. The Record plans still need to be signed and recorded.
6. Norristown Area High School – Plans for the building addition and parking lot reconfiguration were submitted in December. They are currently under review and we anticipate a review letter in the next couple weeks.

- B. Part 14, General Regulations, is hereby amended to change Section 27-1422, from “Hookah Bars” to be entitled “Significant Tobacco Retailers”, and to provide as follows:**

§27-1422. Significant Tobacco Retailers.

A. Purpose and Findings.

- (1) The purpose of this section is to promote and protect the health, safety, and general welfare of the community by regulating the location, operation, and proliferation of Significant Tobacco Retailers and similar establishments within West Norriton Township. This ordinance seeks to reduce the adverse public health impacts associated with the use of tobacco, nicotine, and related products, especially among

youth and vulnerable populations, and to ensure that such businesses are operated responsibly and in accordance with community standards.

- (2) Tobacco use remains the leading cause of preventable disease and death in the United States. According to the Centers for Disease Control and Prevention (CDC), smoking causes more than 480,000 deaths annually, including from cancer, heart disease, stroke, and lung diseases. Use of nicotine in any form, including through e-cigarettes and vaping devices, poses serious health risks and leads to addiction, particularly among youth.
 - (3) There has been a rapid increase in the number of smoke shops, vape stores, and establishments selling tobacco, nicotine, and cannabis-related products in the community. This proliferation often occurs in areas with higher youth populations and near schools, parks, and other sensitive land uses, increasing the likelihood of exposure and access by minors.
 - (4) Secondhand smoke and aerosol from vaping devices contain harmful chemicals and carcinogens that pose health risks to non-users. Additionally, improper disposal of tobacco and vaping products contributes to environmental pollution, particularly in public spaces.
 - (5) The use of hookah pipes and other similar devices used in a Hookah Bar and the activities associated with such businesses (including loud music, large numbers of customers congregating for long periods, etc.) have been associated with increases in odors, noise, vapors, second-hand smoke, parking impacts, loitering, and disturbances in the peace. The purpose of this section is to prevent the overconcentration of this use and to mitigate the negative impacts associated with this use.
 - (6) The U.S. Centers for Disease Control and Prevention reports that smoking a hookah has many of the same health risks as cigarette smoking; that hookah use by youth is increasing; that the charcoal used to heat hookah tobacco can have negative health risks because it produces high levels of carbon monoxide, metals, and carcinogens; that hookah smokers may absorb more of the toxic substances also found in cigarette smoke than cigarette smokers do; that secondhand smoke from hookahs can be a health risk for nonsmokers; and that new forms of electronic hookah smoking are now on the market and very little information is available on the health risks of electronic tobacco products.
 - (7) In light of the substantial public health risks and community concerns associated with these establishments, West Norriton Township finds it necessary to enact local regulations to manage their operation, ensure proper distancing from sensitive land uses, and prevent undue concentration within specific neighborhoods.
- B. A Significant Tobacco Retailer, if otherwise permitted by this Chapter, shall only be permitted pursuant to the following regulations and requirements:

- (1) Distance Requirement. The parcel of land where the Significant Tobacco Retailer is situated shall be located at least 1,000 feet from parcels containing the following uses:
 - a. A place of worship and assembly;
 - b. A public or private pre-elementary, elementary or secondary school;
 - c. A public library;
 - d. A child-care facility or nursery school;
 - e. A boundary of any residential district;
 - f. A public park;
 - g. A community/recreation center; or
 - h. Another Significant Tobacco Retailer
- (2) Age Requirement. No persons under 21 years of age shall be permitted within a Hookah Bar and business owners or operators shall require proof of identification to verify the age of customers and visitors.
- (3) Parking Standards for Hookah Bars. Parking shall be provided under the standards established for a “Restaurant, Cafe, Tea Room, Barroom or other Similar Establishment”, as set forth under Section 27-1410.F, as may be amended.
- (4) Hours of Operation. Operating hours shall be limited from 8:00 a.m. to 12:00 a.m. for Hookah Bars and 8:00 a.m. to 10:00 p.m. for all other Significant Tobacco Retailers.
- (5) Indoor Operation Only. All business-related activity, including smoking, shall be conducted entirely within a building. Outdoor seating, operating outdoor barbecues or braziers, and/or lighting coals or fires outdoors shall not be permitted.
- (6) Alcoholic beverages shall not be permitted to be brought onto the premises for on-premises consumption by customers or visitors. The sale and service of alcohol by a Hookah Bar shall comply with all federal, commonwealth, and local laws.
- (7) Visibility and Illumination. No window coverings or signage shall prevent visibility of the interior of the establishment from the outside during operating hours. The interior of the establishment shall have lighting adequate to make the conduct of patrons within the establishment readily discernible to people of normal visual capabilities.
- (8) Ventilation for Hookah Bars. Adequate ventilation must be provided in accordance with all standards imposed by the Township building official and fire department, and those establishments by federal, commonwealth and local laws. The requirements imposed by the building official, or fire department may be more comprehensive than current building codes to prevent negative health and nuisance impacts on neighboring properties, including a requirement for a separate system to prevent smoke and vapors from migrating to adjoining suites or buildings. The ventilation shall, at a minimum, prevent smoke and vapors from migrating into adjacent

buildings and/or suites and to outdoor public areas. A mechanical exhaust hood system shall be required if an establishment heats coal indoors.

(9) Noise. Any amplified noise shall be subject to the regulations established in the West Norriton Township Code.

(10) No Mechanical Amusement Devices shall be permitted within the same premises as a Significant Tobacco Retailer, as defined under Chapter 27.

(11) No Game of Skill Machines shall be permitted within the same premises as a Convenience Store, as defined under Chapter 27.

C. Section 27-710, Use Regulations, in the B-P Business and Professional Districts is amended to provide for an amended subsection 7 which provides:

7. Significant Tobacco Retailers shall be permitted, provided that the requirements of §27-1422.B are met.

D. Section 27-801, Use Regulations, in the Commercial Districts is amended to provide for an amended subsection 16 which provides:

16. Significant Tobacco Retailers shall be permitted, provided that the requirements of §27-1422.B are met.

E. Section 27-1001, Use Regulations, in the LC & I Limited Commercial and Industrial Districts is amended to provide for an amended subsection S which provides:

S. Significant Tobacco Retailers shall be permitted, provided that the requirements of §27-1422.B are met.

F. Section 27-1101, Use regulations, in the Industrial Districts is amended to provide for an amended subsection H which provides:

H. Significant Tobacco Retailers shall be permitted, provided that the requirements of §27-1422.B are met.

Section II. Repealer. In addition to the above, all other ordinances or parts of ordinances that are inconsistent herewith, are hereby repealed. Further, it is understood and intended that all other sections, parts, provisions, and ordinances that are not otherwise specifically in conflict with or inconsistent with this Ordinance, shall remain in full force and effect, the same being reaffirmed hereby.

Section III. Severability. If any section, sentence, clause, phrase, or word of this Ordinance shall be declared illegal, invalid or unconstitutional by any Court of competent jurisdiction, such

declaration shall not prevent, preclude or otherwise foreclose enforcement of any of the remaining portions of this Ordinance.

Section IV. Effective Date. This Ordinance shall take effect immediately upon its legal enactment.

Section V. Failure to Enforce Not a Waiver. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

Section VI. Enactment. The Board of Commissioners of West Norriton Township, in the County of Montgomery, Commonwealth of Pennsylvania does hereby approve and ordain and this Ordinance for the Township of West Norriton, this 13th day of January, 2026.
